

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,
The 2017-18 school year is off to a great start and holds a lot of exciting promise for each student at Clackamas River Elementary. The 2016-17 school year set a solid foundation for student growth and achievement. During the 2016-17 school year stakeholders worked together to create our Site Strategic Plan. This plan along with the district strategic plan will continue to guide our improvement work at CRE. Our instructional staff will continue to focus on collaborating through Professional Learning Communities, diversify instructional strategies to meet the needs of all students, and cultivate relationships with families and our community.

We will continue to hold high expectations for all students at Clackamas River Elementary. You can help support your child's success by ensuring your child comes to school each day, on time, and stays all day. We look forward to partnering with you over the coming year to ensure your child reaches their full potential. Please take some time to review the achievement data provided as well as supports, interventions, and enrichments in place for student success.

Thank you,
Principal | Amy Hudson

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
