

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,
Thank you for taking the time to review our school's State Report Card. We are excited about this upcoming school year, and taking the next steps towards seeing all our students successful. We are committed to our district and school strategic plan, focused on the objectives and refining our goals to meet the needs of every student. A group of teachers have been working on Next Generation Science lab units this summer, to be implemented this year. We are a Positive Behavior Intervention support (PBIS) and response to intervention (RTI) school, these models are in place to support our students in every way possible. While we are not at the academic level that we would like to be at, we are seeing growth in our students overall. We

believe that our students growth is something to be proud of but it also provides us with direction we need to take towards overall academic improvement.

We are working hard everyday to ensure that every students needs are met. We could not do it without the continued support of our amazing families and community. As a parent your role is crucial in your child's education. Reading with your child daily, attending conferences, staying actively involved, and making sure that your child is at school, on time, everyday are key.

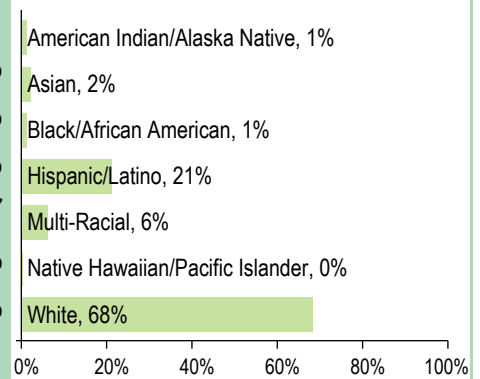

Thank you,

Principal | Jennifer Behrman

STUDENTS

IMMUNIZATION RATES

Percent of students with all required vaccines: 95
Percent of students without all required vaccines: 5

(The percent without required vaccines includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records. Visit <http://www.healthoregon.org/immdata> for more information.)

When data are unavailable or to protect student confidentiality:

* refers to groups of less than 6 students.

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

*** refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

See report cards from previous years to view historical OAKS performance data.
