

PowerSchool Parent Single Sign-On Accounts & Email Notifications

The PowerSchool Parent Portal gives parents and students access to real-time information including attendance, grades, lunch balances, detailed assignment descriptions and more. Everyone can stay connected using this portal. Students can stay on top of assignments, parents are able to participate in their children's progress, and teachers can share information with parents and students.

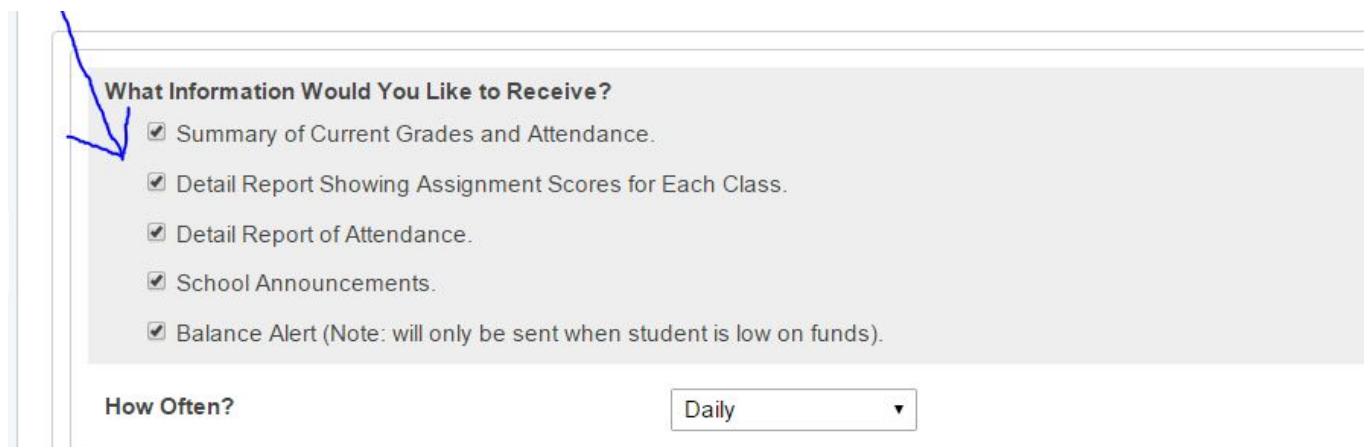

To take advantage of this great communication tool, you need to have a Parent Single Sign-On account. If you have more than one student enrolled in the Estacada School District, you will be able to view all of your student's records with a single login. Information for creating your account can be found at this site: powerschool.estacda.k12.or.us/public

Once logged into your Parent Portal Account, you will see a Navigation Menu on the left side of the computer screen. In the Navigation Menu you will see **Grades and Attendance**, **Grade History**, **Attendance History**, and **Email Notification**. Click on **Email Notification** and it will automatically bring you to a screen where you can choose what kind of information you would like to receive. After you have chosen what notifications you would like to receive, as well as how often, click on submit.
